

FIBROL PETROLEUM THERM 500, 600

BENEFITS

- Capable of an extremely long service life without deposit formation or viscosity increase.
- High heat transfer rates with improved operating efficiency.
- Flexible for combined heating and cooling cycles
- Capable of an extremely long service life without deposit formation or viscosity increase.
- Provides good low temperature fluidity which helps easy starting of cold system.
- High heat transfer rates with improved operating efficiency.
- Protection against corrosion.
- Flexible for combined heating and cooling cycles.
